Amadeus PNR History – Detailed Information in 'Received From' Element

Dear Subscriber,

Perusal of PNR historical data is easy in Amadeus with the enriched format. The Received From line is displayed with detailed information to aid users in their search of all updates performed through direct sign-in or remote sign-in.

Key benefits

- Easy identification of mode of transaction (Direct Sign-in or Remote Sign-in) made on the PNR.
- Accurate data obtained for investigation from the PNR history.
- Time saving in tracking the transactions made on the PNR.
