Amadeus Rail - IRCTC

Amadeus India integrates Indian Rail bookings via Smart Tab technology with BirdRes.com

Amadeus India and BirdRes.com offers Indian Rail bookings through the Amadeus Selling Platform to increase opportunities for Travel Agents to generate more revenue.

Functional Highlights:

- Amadeus India, the first GDS to launch this functionality!
- Creates a PNR in the Amadeus Selling Platform with Indian Rail segment information!
- Generates A.I.R. (Amadeus Interface Record) in your back office system.
- Automatically places the Amadeus PNR in a Pre-defined Amadeus Queue.
- Access to BirdRes.com/rail while working on Amadeus Selling Platform. No need to separately launch the website – www.birdres.com/rail.
- No extra installation / configuration required.
- Easy and Quick to book rail tickets.
- Improves efficiency.
- Provides ease of access to Indian Rail Content.
